# 150th Anniversary Celebration of Reconsecration of St. Paul's

The red-letter dates of the history of St Paul's Episcopal Church are fairly well-known; however, we actually have many small but momentous dates that are of great importance as well. One of those almost got by without notice; however, thanks to Mark Hyssong, we are pleased to inform you that a significant anniversary was recently observed: The sesquicentennial of the re-consecration of St. Paul's! On January 25th, 1871, Right Reverend Charles Todd Quintard, the second Bishop of Tennessee, conducted the service to re-open St. Paul's. Rev. Bradley, who had come to Franklin in 1869 to examine the post-War church in deplorable condition and subsequently went all over the nation soliciting funds to finance the remodeling of the sacred space, was the priest-in-charge. A large assemblage gathered to attend this service and to see the church which by now had a much different look than when originally built. The former slave gallery was removed which eliminated the entire upper floor (the bricks were recycled into building used then as a rectory which today is known as Founder's Hall). It must have been a happy day for the small parish to see the church secured for future use and this is still the basic church that is St. Paul's still today. We are eternally grateful to all the men and women who have labored for two centuries to allow us to inherit the historical gem that is St. Paul's, Franklin.

# What's New?

## Welcome, Adam Dawkins! Our New Seminarian

Adam Dawkins (left) and Adam Hartsock

Adam Dawkins is a seminarian of the Diocese of Massachusetts and a second-year student at the School of Theology at Sewanee. A native of Greenville, South Carolina, Adam is a graduate of the University of South Carolina and remains a Gamecocks fan, as hard as that is some days. Prior to moving to Sewanee, Adam served as Director of Welcome and Stewardship at Trinity Church in the City of Boston, and has directed capital campaigns for parishes, dioceses, universities, and organizations across the Northeast. He served as Senior Warden at his sending parish, Trinity Church in Stoughton, Massachusetts, and served three elected terms as Stoughton's Town Moderator. His spouse, Adam Hartsock, is a native of Pikeville, KY and coordinates the Board of Trustees, Church relations, and university events at Sewanee. Adam and Adam are glad to be home in the South, and they are excited to spend the next year with their new parish family at St. Paul's.

**Welcome! We are glad you are with us!**

# Seeking Seekers:

## Anglican Essentials

(Also Known as Seekers Class or a Refresher Course  
For Those Who Have Been Around Awhile)

Beginning Sunday, February 14, St. Paul's will begin its annual Seekers Class for those who wish to join the Episcopal Church and our parish in particular (and what better way to celebrate Valentine's Day, right?). We have always opened the class to everyone but this year we want to emphasize that openness given our limitations of Christian Formation due to COVID.

Below is the schedule for the upcoming class. Feel free to join in if a particular subject interests you. Everyone is welcome! The class will be offered via Zoom and will begin each Sunday at 11:15 and finish around noon. Zoom instructions will be provided soon. Please give me a call if you have any questions.

Feb. 14—Introduction and Doctrine of the Church and Church Polity

Feb. 21—Church History

Feb. 28—Book of Common Prayer: Its History and Use

Mar. 7—Sacraments

Mar. 14—The Lectionary and The Bible and the Church Year

Mar. 21—Instructed Eucharist

Mar. 28—Palm Sunday (No class)

Apr. 4—Easter (No class)

Apr. 11—Roundtable Discussion (ask the rector anything)

Apr. 18—Bishop visit and Confirmation

I look forward to your participation as we learn about our beloved church in a relaxed and fun environment.

# Ash Wednesday Services, 2/17/21

Wednesday Feb 17 is Ash Wednesday, marking the beginning of the Season of Lent, a penitential time in the church. Ashes are an ancient sign of penitence. From the Middle Ages it became the custom to begin Lent (the forty days before Easter) by being marked in ash with the sign of the cross. The reminder that we are dust turns our attention to the creative power of God, and God's ability to heal the brokenness in our lives when we offer that brokenness to God. That turning to God is the work of Lent, preparation for the celebration of Jesus's resurrection on Easter Day. On Ash Wednesday, St. Paul's is offering 3 times for you to join with the community of faith in receiving the imposition of ashes. Please consider one of these opportunities to enter into the Holy Season of Lent:

- 7:00 am Imposition of Ashes and Holy Eucharist - Sanctuary
- 12:05 pm Imposition of Ashes and Holy Eucharist - Sanctuary
- 5:00-6:30 pm Imposition of Ashes - Drive-Thru in the Parking Lot behind Barnabas

**"You are dust and to dust you shall return."**

**Richard Rohr Study**, led via Zoom by Susan Nance at 11:05 am each Sunday, will continue by considering topics of change through the lens of Order, Disorder, and Re-Order - "The Wisdom Pattern" by Richard Rohr. No external preparation is required. We will reflect on the order of our lives - personal routines and patterns, cultural ways of life such as transportation and air conditioning; and institutions such as the church and government. How have those orders been disordered? How can they be re-ordered? What is our role in dis-ordering and re-ordering? Zoom invitation can be obtained from Susan Nance: [susan.nance@comcast.net](mailto:susan.nance@comcast.net)

## Hooray for Godly Play! Sundays at 10:00 am

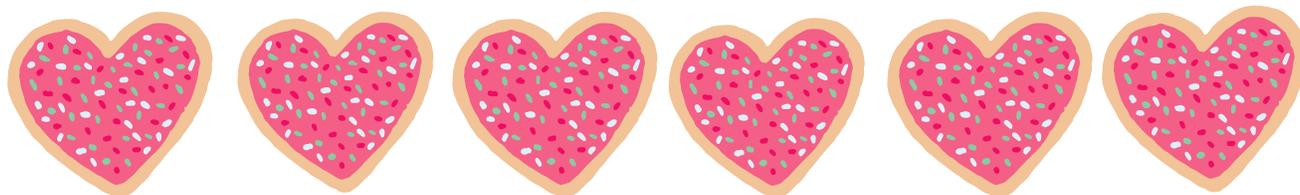

Christian Formation for children is back at 10:00 am! Instead of our traditional Christian Formation hour between services, we will be holding Godly Play "2020 style" with some children attending in person while airing the lesson live on our Children and Families Facebook page. If you are attending in person, you will sign up your child(ren) when you sign up for Sunday's service. Keep in mind that numbers will be limited to maintain social distance, and children will be required to wear their mask. On Sunday, you'll bring them down to the Godly Play room just past the nursery when you arrive at church. They will join their families in the Sanctuary at the Peace. Looking forward to making the very best of this wild year with our wonderful children! If you have any questions or want to be added to their Facebook page, email [libby@stpaulsfranklin.com](mailto:libby@stpaulsfranklin.com).

Lenten Meditations for St. Paul's Families

Lent-to-go bags will be delivered to homes of children and their families the week of February 8th. Keep an eye on your mailbox or front porch. If you think you won't be on our delivery route, but you want to receive one, please email [libby@stpaulsfranklin.com](mailto:libby@stpaulsfranklin.com)

We have the opportunity to help the ladies who share love and comfort through meals called "Love thy Neighbor." They are making a special Valentine Meal for 6 families in Nashville, and they have asked us to help by making cookies and cards to sweeten their delivery. If your family can help out, please deliver the cookies and cards to the church by Friday, February 12th. Thank you! You may sign up to help here:

## The Bedtime Book Club

Parents, join us during the season of Lent for our very first Bedtime Book Club! We will gather via Zoom each Wednesday in Lent beginning February 24th at 8:30 pm. We will read and discuss Cindy Wang Brandt's book *Parenting Forward: How to Raise Children with Justice, Mercy, and Kindness*. We will keep each session to 45 minutes. Feel free to come late or leave early—and pajamas and wine are welcome! If you'd like to receive the Zoom Link, contact [libby@stpaulsfranklin.com](mailto:libby@stpaulsfranklin.com)

**EYG is open to all youth, grades 6-12!**

## **EYG February Calendar:**

EYG will meet each Sunday in February in Barnabas 4:00 pm-5:30 p.m. Dinner will NOT be served.

## **Mardi Gras Cakes and Casserole Sale:**

Money is being raised to help pay for our youth to attend MountainTop this summer! Instead of our Pancake Supper, this year we are having a Casserole Sale. You can help us, all while being well-fed, by ordering one of the following goodies:

- **Sausage and Egg Casserole (Gluten-free)**
- **Hashbrown Casserole (Vegetarian)**
- **King Cake Bites (Blissfully rich and sweet)**

**Orders can be placed through Feb 2.**

**Pick-ups for those orders will be from 11:00-1:00 pm on Sunday, Feb. 14.**

Click [here](#) to be taken to the order form!

We still need chaperones for many upcoming EYG meetings, including this Sunday! If you feel called, we'd love to have you!

## St. Paul's Food Pantry Update!

Thank you to everyone from St. Paul's who has continued to help us fill our food pantry! There are lots of people in need and our community appreciates you. ## Love Thy Neighbor: An Outreach Ministry

The St. Paul's "Love Thy Neighbor" (LTN) ministry is gearing up for the New Year and is starting off by sending some extra special Valentine's Day love to several vulnerable and marginalized families in the James Casey Projects in East Nashville. All of the families who live in that area are at or below poverty level, and many are food insecure. They also lack access to employment and health care. We will be preparing meals to deliver to the families on Valentine's Day, including cookies and cards made by boys and girls from our own St. Paul's Children's Ministry along with special chocolates for the Moms. In addition, we are asking for donations for a few items that are greatly needed, including:

Diapers (smaller sizes), Toilet Paper, Tissue boxes, and Paper Towels

Donations can be left at the door outside the Church office in the designated plastic bin, any time before February 13th. We thank you for helping St. Paul's spread some of our unique brand of neighborly love to these needy families. For more information or to get involved, please contact *Pat McCracken (615) 351-1113, Mishelle Phillips (615) 403-0703, or Laura McCown (205) 601-6959*

## WITS (Women in Theological Study)

WITS continues its study series based on the book, *Bad Girls of the Bible and What We Can Learn from Them*, by Liz Curtis Higgs.

Studying biblical role models is a good thing, but studying how NOT to behave is also a good thing.

“Can those Bad Girls from the past teach us how to be Good Girls in the present? Whether those girls were bad to the bone, bad for the moment, or bad for a season but not forever, these [bad girl] sisters show us how not to handle the challenges of life.” Get ready for some lessons in good living from the Bible’s bad news belles! We meet via Zoom on Thursdays from 9:30 – 11:00 am. If you want to join us, but are not already receiving weekly emails, please contact Monna Mayhall at [monnaestpaulsfranklin.com](mailto:monnaestpaulsfranklin.com) or 615-790-0527.

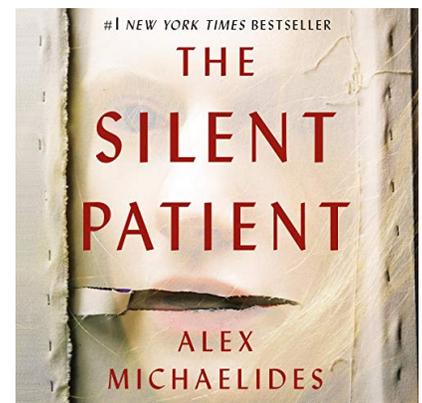

## Bad Girls Book Club

Looking ahead to future discussions:

March 24 at 6:30- *A Most English Princess* by Clare McHugh

April 27 at 6:30 pm- *Late Migrations* by Margaret Kenki

## Stephen Ministry

Our current environment has brought emotional changes to all of us. Our lives have been changed by COVID-19, and it may be a while before we return to anything close to what we were used to before the pandemic. Stephen Ministry does not have the visibility and access to the community and Church family because of the current situation, which makes it more difficult to identify people who need someone to listen to their concerns and help them through their crisis. Parishioners in general, have not been as active outside their own immediate family or work environment as perhaps they were, which makes it more difficult for them to know about people who need a Stephen Minister. Yet there are people who are struggling through the isolation and the new "normal". **Stephen Ministry is alive and active at St. Paul's.** We are constantly trying to reach out to individuals who might feel lonely, frustrated or depressed do to the isolation this pandemic has created. We are available to meet by Zoom, Facetime, email, messages, and cards until the guidelines allow us to meet in person.

If you could benefit from the care of a Stephen Minister, or if you know of someone who could, please let us know. We can always be reached through a confidential email - [sm@stpaulsfranklin.com](mailto:sm@stpaulsfranklin.com). Monna Mayhall or the Stephen Ministry Leader, Fred Warner, can be reached through St. Paul's Episcopal Church office at 615-790-0527. Thank you in advance for reaching out to us.

May the peace of the Lord be with you.

Fred Warner

Stephen Ministry Leader

## Stewardship Update 2021

Congratulations to all of us at St. Paul's! We have now reached over **96%** of our pledging goal of \$900,000 as of January! Thank you to all who were able to turn their pledges in so that our Finance Committee created our 2021 budget that was passed at the Annual Meeting in January! We are so grateful for the generous and gracious offerings.

Thank y

If you are interested in being an usher for one of our three Sunday services (8am, 10am and 6pm), please let us know by contacting the office ([shannon@stpaulsfranklin.com](mailto:shannon@stpaulsfranklin.com)). A training class will be offered on what to expect and how to handle each situation.

## Holy Eucharistic Visits

While St. Paul's resumed in-person worship this summer, we are aware that some people are, for varying reasons, still taking precautions to avoid public places and people. If you are in this category, and if you would like Holy Communion brought to you, please let us know, and we can schedule a time for someone to visit you. The Eucharistic Visitor would wear a mask and gloves, and would offer Holy Communion in one kind only - bread. The Eucharistic Visitor would not come inside your home, but would remain outside your house, whether that be at your front door, back door, porch, patio, or other place outside you choose. If you have questions or would like to schedule a Eucharistic Visit, you can contact Monna Mayhall at [monna@stpaulsfranklin.com](mailto:monna@stpaulsfranklin.com) or 615-790-0527. Please note, that we are still unable to schedule visits in nursing care facilities, rehab facilities, or hospitals at this time.

## Altar Flower Sign-Ups

If you would like to sign-up to memorialize, honor, celebrate or thank a special person(s) with Altar Flowers, please sign up on the date of your preference by signing up [here](#). We will also have a list hanging on the Church Bulletin board if you prefer to sign up that way.

### To the good people of St. Paul's parish, Franklin:

The Historic Committee of St. Paul's would like to extend an invitation to the communicants of our church. In these unprecedented times; moreover, these are historic times. It is important that this epoch is recorded on every level, including that of our own church family. Please begin a journal regarding your experiences of late. Include your daily activities, news, as well as your thoughts and feelings about these never-before-seen events. There are no rules: you can be as verbose or as filtered as you wish. You can express it in poetry, with humor, whatever you prefer. The idea is to capture what you are doing and how you are reacting and especially on a spiritual level. This will allow you to express yourself, keep yourself from getting bored, and, best of all, it will record this moment for future generations who will likely find this all very interesting—just as the interest of the history of the Spanish influenza epidemic of 1918 has been rekindled now—100 years later.

#### **When it comes to writing your journal entries, consider the following questions:**

How has your daily routine changed as a result of the pandemic?

Did you have to stay home to care for your children? Did your place of business close?

Were you able to work from home? Did you still get paid during this time?

Did social distancing change your shopping habits - the frequency or what you bought?

How did you explain this to your children? Did anyone you know get sick?

Did you have to convince your parents or another family member to isolate?

How did you cope with the potential of getting the virus?

How are you altering your habits, work life, and living arrangements to cope with the larger pandemic and our local shelter-in-place order?

You can also describe your thoughts on the pandemic, including how you feel about it, and your observations of what's happening in society around us. If you've got children at home, you can encourage them to document their thoughts and experiences as well or even create a shared family journal, as children are chronically underrepresented in the historical record.
