Our building project is coming along very well! The brick facade on 6th Avenue is complete, and a new metal roof will be installed next week on the exterior ramp hallway. The scale of the new addition and the new brick will make for a beautiful courtyard.

This week the new sprinkler system is being installed in Founders Hall and the ceiling will be patched up after the city inspection is complete. Ceiling inspections for the 1st and 2nd floor have passed and framing for the 2nd floor ceilings are being completed and will receive new drywall this week as well.

The air conditioning is set to start operating on September 4th, then finish materials will start being installed. Much of the interior finish materials like wood, millwork, vinyl flooring, and such need to be acclimated to interior a/c conditions before installing.

The new library will have the double doors with stained glass that once was in the reception room leading into Kristy's old office. These existing doors will be built up so as to meet current door codes. Our contractors will have a skilled woodworker scribe wood slats to the top, sides, and bottom to meet codes. The wood will be painted a sage green to match the rest of the new millwork. This is a good example of our architects and contractors willing to salvage old meaningful pieces of our past and thoughtfully incorporating them into our new fresh space. It will be a delightful opening into our new library.

Another example is the existing brick flooring in the reception area will remain, and new vinyl plank wood floor will abut with the brick. Originally we were intending to install porcelain tile here, but later decided to keep the brick floor as an homage to our past. This quirky floor design will be an amusing detail, and be a less expensive option!

Next week we'll be ordering new furniture for all the offices, chairs for meeting rooms and chairs and tables for Otey Hall.

We are still on target to finish our project November 26 and I'm sure a great celebration will be had by all of us. Thank you for all your support and encouragement.

# Stewardship

The Stewardship Committee is meeting again for the upcoming campaign (BTW, we welcome anyone in the younger and/or female demographic, as I am a lone woman, and none of us are in the Young Families group...)

We're developing a theme and preparing a timeline, and as always, I find inspiration during worship:

On Sunday, the line in the Prayer after Communion struck home:

*And now, Father, send us out to do the work you have given us to do.*

The Stewardship Committee wants to inspire our parish members to help grow St. Paul's community, to continue and expand outreach, and of course, be good stewards of our infrastructure.

If you haven't read our Vision statement lately, here is a link: <https://www.stpaulsfranklin.com/vision-and-mission/>. Or look under the "About Us" tab on the website. In fact, take a minute to explore the entire website. I happen to think it is pretty impressive.

Lastly, even if you can't participate in the committee's function, we welcome your input and suggestions. Email or text me or reach out to any of our members.

## From Rachel Shoaf

To the St. Paul's family, my sincere gratitude for the honor of sharing time together with your little ones and with you. It has been an absolute gift to get to know y'all a bit, and I hope all of you are proud of the St. Paul's children and youth (and adults!). I know I am! Their joyful spirits, lovingkindness, humor, and wit have made my Sunday mornings something to treasure each week. To see the grace of St. Paul's community shine through in this way is a blessing in my life. Thank you for you.

Best wishes always,  
Rachel E. Shoaf, aka Ms. Rachel/Miss Rachel :)

## Parish Wide Author Event

Join Us on November 18 for a very special evening with local author - and St. Paul's parishioner - Jared Sullivan. His non-fiction title *Valley So Low: One Lawyer's Fight for Justice in the Wake of America's Great Coal Catastrophe*, published last Fall, is the compelling recounting of the 2008 Kingston, TN, coal-ash spill. This catastrophe was one of the largest environmental disasters in U. S. history. It follows the legal battle that unfolded as one local lawyer took on TVA as he sought defend the clean-up workers, many of whom died or became significantly ill as a result of coal-ash exposure. Five years in the writing, Sullivan's book unfolds like a mystery. It is a fast-paced and compelling and important read.

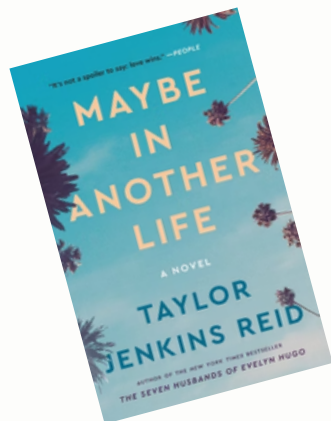

The "Bad Girls Book Club" are sponsoring this event, inviting you to join us and to please bring a friend. Joel Tomlin of Landmark Booksellers will interview Jared in the Sanctuary at 6:30 pm following a reception in Founders Hall at 5:45 pm. We will provide childcare in Barnabas that evening.

While one does not need to read the book in advance, I encourage you to add it to your reading list. Books are available for purchase at Landmark.

More details to follow. Please make a note on your calendar: Tuesday evening, November 18 - Hope to see you then!

## Bad Girls Book Club September Meeting

The Bad Girls Book Club next meeting is September 23rd from 6:30 PM to approximately 8:00 PM in Barnabas.

We will discuss *Maybe in Another Life* by Taylor Jenkins Reid. Please bring a light appetizer and/or a drink to share.

## WITS - Women in Theological Study

For September and part of October, WITS (Women in Theological Study) will be embarking on a new study series, based on the book *Holy Companions: Spiritual Practices from the Celtic Saints* by Mary C. Earle and Sylvia Maddox. Centuries old, the Celtic tradition seems to speak to the modern world with a fresh voice. In *Holy Companions*, we are invited to get to know and journey with different Celtic saints. We will learn about them and reflect on what their life and words may mean for us today, and we will explore some spiritual exercises and practices that grow out of their life and work.

Come join us on these Thursdays:  
September 11, 25, October 2, 9  
September 18 (No WITS due to Spring Street)

WITS meets on Thursdays in Barnabas from 9:30 -11:00 am. If you have any questions, please contact Monna Mayhall at [monna@stpaulsfranklin.com](mailto:monna@stpaulsfranklin.com) or 615-790-0527.

## Daughters of the King (DOK)

St. Paul's has an active Chapter of Daughters of the King and would love to welcome new members. Women interested in information or a future discernment process are invited to contact Karen Austin ([KSAustin@bellsouth.net](mailto:KSAustin@bellsouth.net)) or Beth Woodruff ([woodruffbeth96@gmail.com](mailto:woodruffbeth96@gmail.com)).

Members of The Order of the Daughters of the King® are women and girls who desire a closer walk with the Lord. We are strengthened through the discipline of a Rule of Life, a focus on prayer, service and evangelism, and are supported through the companionship of our sisters. Our Chapter participates in Diocesan and National DOK gatherings, sponsors the Christmas Charitable Giving Fair at St. Paul's, holds retreats and provides support for our clergy and parish where needed.

## Eldercare Coach

Are you a caregiver of an older adult? A caregiver may give of themselves physically, emotionally, or financially. Caregivers need support!

St. Paul's is now partnering with Eldercare Coach, powered by AgeWell Middle Tennessee, a local nonprofit. Eldercare Coach offers church members individual coaching sessions with a social worker to discuss their concerns and connect with resources, support, and education.

Eldercare Coach also offers onsite education on caregiving (coming soon) and a great website with resources, [eldercarecoach.org](http://eldercarecoach.org).

Please feel free to call AgeWell at 615-353-4235 to book your coaching session or visit [eldercarecoach.org](http://eldercarecoach.org). Please use the booking id: SPEECC.

## Men of St. Paul's September Events

### **Saturday September 06, 2025**

Freedom Reigns Ranch Hoedown - This annual event is a Freedom Reins Ranch thank you to staff, volunteers and committee members for all the work they have and are doing. We provide the food. FRR provides the entertainment. It is an evening of fun under their covered equestrian arena. Plan for the afternoon and part of the evening, or just participate when you can.

### **Monday September 8, 2025**

Boys and Girls Club, Franklin - Perhaps one of the longest running (in years) events the MOSP has provided to the community. This is not just a kids evening but a staff and parent night too. We expect a large crowd. Additionally, we will provide meals for the boys and girls for the week. It is fun cooking and watching the meals being consumed by the kids (and can they eat) knowing that the meals we provide may be the only meal they get that day.

### **September 25, 2025 through September 29, 2025**

MOSP BBQ Fundraiser: You got it. It is that time of year when we need to raise some money so we can continue to support the community. This is also a super fun time for working on your cooking skills, enjoying good food and beverages, and socializing.

- Wednesday we start bringing in the smokers and other "heavy" equipment.
- Thursday is for organizing and set-up.
- Friday is seasoning the pork butts and chicken (new time), loading the butts into the smokers, and most importantly, having our own feast of good old home cooking.
- Saturday is all hands on deck with unloading the pork butts, loading and unloading the chicken into the smokers and preparing everything for the sale which starts at 2:00. This is a fun day to meet your church friends and community neighbors as well as make a lot of money.
- Sunday is clean-up day. Yes some of the clean-up is completed on Saturday, but there is always the last minute cleaning after all the equipment is cleaned and removed.
- Monday is for moving the smokers back to their original homes.

This is a long weekend and that is why our co-leaders, Jim Miller and Marty Karpie, have provided a schedule for volunteers. Let's spread the work out to many (youth and adults alike). Check out the Signup Genius: <https://bit.ly/MOSP-Volunteers-2025>

## Room In The Inn

St. Paul's has been invited to participate with Franklin First United Methodist Church (FFUMC) in hosting homeless guests as part of their Room In The Inn (RITI) program this winter.

RITI began in the winter of 1985, when the Founding Director, Father Charles Strobel, opened the doors of his parish to individuals seeking sanctuary in the church parking lot. This simple act of kindness marked the beginning of Room In The Inn. In December 1986, four congregations committed to sheltering people experiencing homeless through March 1987. By the end of that winter, 31 congregations had joined. Now, they have nearly 200 congregations from a wide variety of traditions and over 7,000 volunteers who shelter almost 1,500 men and women from November 1 through March 31 each season. (for more information see - [www.roomintheinn.org](http://www.roomintheinn.org)).

FFUMC has been hosting RITI guests for many years now and members of St. Paul's have assisted FFUMC as Innkeepers for several years, as well. We now have an opportunity to increase our participation by "sponsoring" a St. Paul's RITI night by assisting set-up, providing meals and lunches, and innkeeping (stay overnight with guests) for 2-3 nights this winter.

The RITI season starts November 1 and runs through March 31. FFUMC takes guests every Thursday night during this period. We are looking for St. Paul's to support up to 2-3 nights this winter and then see where the Lord takes us in the future.

For each "St. Paul's" night, we will need 1-2 set-up volunteers, 2 male innkeepers and 8-10 volunteers to make dinner (and next day lunches) for our guests. Volunteers will be required to complete FFUMC background checks and safe sanctuary training. FFUMC has scheduled Safe Sanctuary training on September 14 at FFUMC at 11:15 am.

Anyone (or any St. Paul organization) interested in participating in this wonderful ministry or needing further information, please contact Paul Hannah at [paulrhannah1@gmail.com](mailto:paulrhannah1@gmail.com) or 615-512-5673.

Outreach Committee of St. Paul's Church functions to serve non profit organizations Its vision is to share God's Grace with those in need in Williamson County. The mission of the Outreach Committee is to embrace community services in Williamson County dedicated to encouraging and advancing development of all people towards their fullest potential, and it is the intent of the committee to assist our church community in sharing God's grace outward into our wider community, participating, donating and encouraging people and the organizations addressing their needs. We intend to promote existing initiatives in our church and continue the conversation with our own church community on what we can do for our neighbors in the fulfillment of our Christian duty.

The Outreach Committee would like to thank the parishioners of St. Paul's for entrusting us with such a labor of love. Your financial support is making a difference in the lives of so many people. You are the only reason we can do this, thank you! And to that effect, we would like to make all aware of exactly who you are helping in our community. So, each month, we would like to share a few of them so you might be able to see and support these amazing organizations!

This month we have donated to several organizations that we have helped in the past that are experiencing great deficits with many of the federal governments cuts to grants and aid to nonprofit agencies. We have donated to the following:

The Gentry Educational Foundation: 10,000 to assist with their tutoring program for economically challenged children.

2,500 for both their mental health and medical care to those in the community who are not insured.

7,000 to help a family make modifications to their home for their special needs child, Emma.

St. Paul's Episcopal Church,

Thank you for your recent donation of \$3,000.00 on 06/23/2025. Your donation will have a significant impact on abused and neglected children in Williamson County.

No child should have to endure abuse or neglect. At Williamson County CASA, our vision is to see every child in a safe and permanent home.

By giving to Williamson County CASA, you are giving these children someone they can rely on, talk to, and trust while they navigate the complex, chaotic, and uncertain environment of the courtrooms and foster care.

Thank you again for your contribution to Williamson County CASA. You are giving these children a voice. We are so grateful.

Sincerely,

Danielle McMorran  
Director of Development

After three sisters entered into the juvenile court system, the oldest sister was asked, by her CASA volunteer, what her dream family would look like. So she drew this picture.

Today, her life looks a lot like the picture she drew. All three little girls were adopted and found their forever home ... safe, happy, and together. Thanks to supporters of CASA like you, this little girl's "dream family" is now a reality.

## Thank You!

Mark - Thank you for being a part of the community that is a constant in these children's lives! Grateful Danielle

## Grief Support Group at St. Paul's

Loss comes in all shapes and sizes. Grief of any kind can feel very lonely, even when you have loved ones around. Sharing your sorrow with others who have experienced similar losses can help. The pain of grief can often cause you to want to withdraw from others and retreat into your shell. But having the face-to-face support of other people is vital to healing from loss. The key is not to isolate yourself.

St. Paul's offers a Grief Support Group on the 1st and 3rd Wednesdays. In September, they will meet on the 3rd and 17th, from 9-10 am in Barnabas.

Questions: Contact Monna Mayhall at [monna@stpaulsfranklin.com](mailto:monna@stpaulsfranklin.com).

## Bicentennial Society

### *Honoring St. Paul's 200th Anniversary*

Our St. Paul's Episcopal Church was founded on August 25th, 1827, in a room of the Hiram Masonic Lodge #7 in Franklin when those persons "friendly to the formation of an Episcopal church in the area" met under the leadership of Reverend James Hervey Otey. Honored as the "Mother Church of the Diocese of Tennessee," St. Paul's led the way for Episcopal congregations to bloom throughout our state.

Today, there are three organizations committed to preserving the legacy of St. Paul's.

- **The Historic Committee** focuses on preserving our past and securing our future by supporting various projects and events that are not provided for in St. Paul's annual budget.
- **The Bicentennial Committee**, which is overseen by The Historic Committee, is responsible for planning and executing activities connected with the Bicentennial in 2027.
- **The Bicentennial Society** is a fundraising entity dedicated to providing financial support for the work of both the Historic and Bicentennial Committees.

Examples of projects that have been funded by the Bicentennial Society include:

**Education:** We are hosting several historic symposiums on Franklin's early churches and their role in sowing the seeds that helped make Franklin a vibrant, growing community. These events are open to the public and focused on both educating and uniting our local faith communities. We were also instrumental in creating the beautiful history panels on display in Otey Hall and the self-guided tour brochures for our historic Church.

## Bicentennial Society

### *Honoring St. Paul's 200th Anniversary*

**Preservation:** The Bicentennial Society has supported cataloguing of our historic documents and photographs and restored the broken tombstone of Bishop Otey's son just outside the front entrance of the Church. We also contributed to the repair of the historic wooden louvers above the front doors of St. Paul's, improving both form and function.

**Celebration:** Each year we host a festive birthday party for the parish, counting down the years to our Bicentennial in 2027.

One of the primary goals of the Bicentennial Society is to raise funds to support related church-wide and community events without straining our annual operating budget. If you'd like to take part in this unique historic undertaking, please consider joining the Bicentennial Society and play an important role in the education, preservation, and celebration of St. Paul's. Your \$1,000 pledge—due in 2027—can be paid over time by visiting [stpaulsfranklin.com/give](http://stpaulsfranklin.com/give).

To learn more, please contact any member of the Historic and Bicentennial Committees:

Greer Carlisle, Virginia Callicott, Jay Fahey, Gale Haddock, Colbi Layne Hogan, Pam Horne, Melanie Lampertz, Rev. Rusty McCown, Pat McCracken, Libby Sullivan, Cindy Thomsen, Cindy Tumblin, Kathy Ulezelski, and Mike Wesson.

## Join St. Paul's Bicentennial Society

With only four years left until St. Paul's 200th birthday, please consider joining the Bicentennial Society by making a donation of \$1,000, payable on a schedule of your choosing between now and 2027.

Funding from the Bicentennial Society supports our mission of preserving our past, and securing our future by supporting various projects and events that are not provided for in St. Paul's annual budget. As a member, you will play an important role in these endeavors.

**Education:** St. Paul's recently hosted a History Symposium on the establishment of the early churches in the city of Franklin. This symposium, open to the entire community, was the first of a series of events to both educate and unite our local faith communities. The Bicentennial Society has also helped create the history panels on display in Otey Hall and the self-guided tour brochures of our historic nave.

**Preservation:** The Bicentennial Society has helped catalogue our historic documents and photographs now maintained at the Williamson County Archives, and will soon undertake the restoration of the broken tombstone of Bishop Otey's son at the front entrance of the church.

Presently, the society is helping with the repair of the historic wooded louvers above the front doors of St. Paul's. Keeping the historic parts of our church in good repair is a key goal for the Bicentennial Society.

**Celebration:** Your membership will also support the many events currently in the planning stages for 2027. When the Bicentennial Society was established in 2017, one of the primary goals was to raise funds to support church-wide and community celebrations without straining the annual operating budget of the church.

Please consider joining the Bicentennial Society and play an important role in the Education, Preservation, and Celebration of St. Paul's.

Gratefully,

Jay Fahey and Libby Sullivan, Bicentennial Co-chairs

Paper is collected in the large, gray bin in the workroom next to Shannon's office and there is a large, green bin for glass in Otey kitchen. For more information, please contact Shannon or any member of the recycling committee. St. Paul's and the environment are grateful for your help.

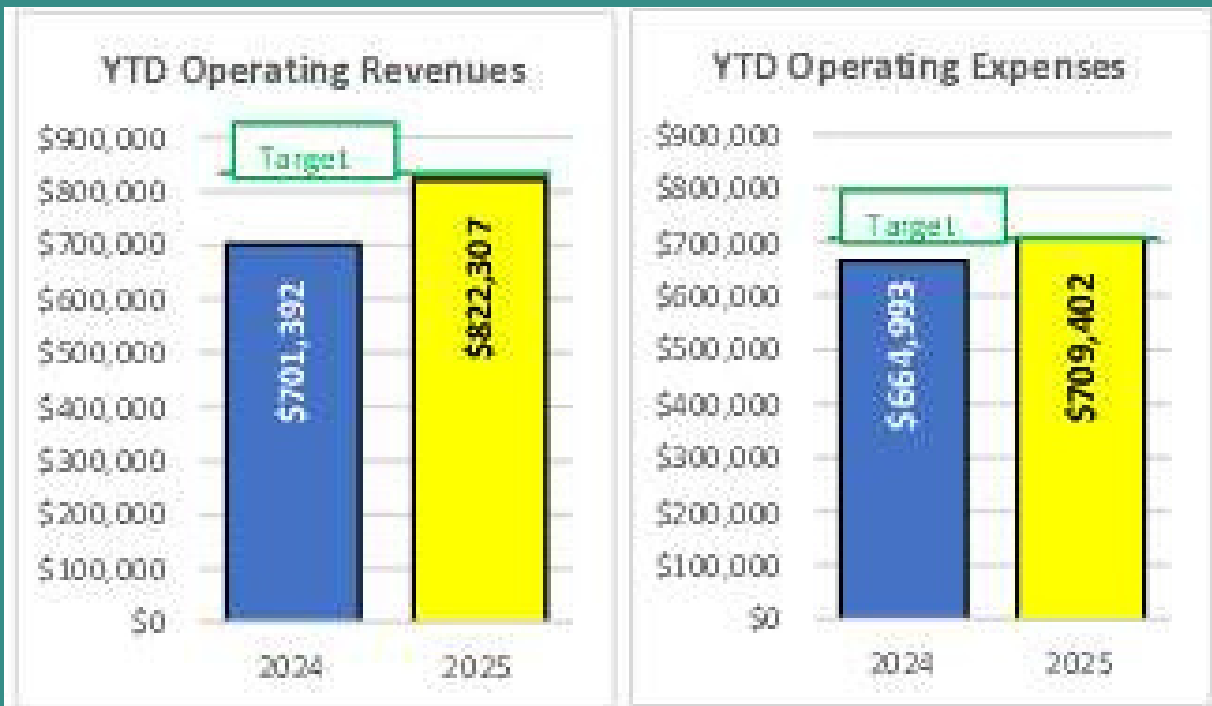

## Financial Performance for the Month of July 2025

**Summary:** July was another summer month - more outflows than inflows. But the parish is performing as expected through the fiscal year.

**Revenues:** Pledges were higher than budgeted. Cash-In-Plate has a negative number as it accounts for the correction to move one payment to the project.

**Expenses:** Expenses were over the monthly budget by 7.8% In personnel, a large expense in medical premiums hit in July. In operations of note, Children's Education reflects costs of VBS and Blessing of the Backpacks expenses. Property Maintenance reflects repairs to the Rectory fence and carport. Sexton Services reflects two payments.

**Overall:** The parish budgeted for a \$32,060 deficit but operationally ran a deficit of \$42,782. For the year, the parish remains \$60,664 to the good.
